ABOUT ME

Diligent and hardworking candidate ready to contribute solid effort as team member. Thorough and highly organized with excellent communication skills. Reliable worker with strong work ethic.

EXPERIENCE

System engineer

IT-Tech Company

Joined in December 2022

- Currently worked as a System Engineer at Infosys, where I am involved in various software development projects. I utilize my skills in Java, JavaScript, MySQL, HTML, Spring Boot, CSS, Bootstrap, TypeScript, and React to design, develop, and maintain software applications. I collaborate with cross-functional teams to gather requirements, analyze user needs, and implement effective solutions. Additionally, I participate in testing and debugging activities to ensure the functionality and performance of the software.

CERTIFICATIONS

- Infosys Certified Java SE11 Developer
